

TOWNSHIP OF

Hampton

*Department of
Environmental Services*

To whom it may concern:

In accordance with Township of Hampton Ordinance #648 (adopted January 26, 2005), the procedure for storm water compliance testing (dye testing) is as follows:

- The applicant (usually the seller) will contact and retain the services of a plumber listed on the Township of Hampton Storm Water Compliance **Approved Testing Agency List**. (The list is updated on an annual basis, so be sure to check the Township website for updates.)
- The applicant (or the approved agency representing the applicant), after obtaining a scheduled appointment with an approved plumber, will file a Township of Hampton Application for Storm Water Compliance Testing with the required forty-dollar (\$40) administrative fee.
- Within 10 days of receipt of the application, the Environmental Services Department will issue a Storm Water Compliance Test Packet that will need to be picked up by either the applicant or their designee at the Township Municipal Building. The applicant or noted designee will be notified when the packet is ready for pickup.
- When the test is completed, the testing agency will return the completed test report to the Township of Hampton Municipal Building. The report must be **returned at least seven (7) days prior to the closing date.**
- Presuming that there are no violations reported, a Storm Water Compliance Certificate will be issued by the Township of Hampton and forwarded to the designated closing company. *If violations are noted on the Test Report, all violations must be corrected before a compliance certificate will be issued.*

All of the above-mentioned documents as well as an online of Compliance Testing Standards and the Approved Testing Agency List will be available on the Township of Hampton website at www.hampton-pa.org or at the Township of Hampton Municipal Building.

Please note: *There is no exemption clause. All property sales or transfers that involve a change in the name on the property deed must be tested.*

If you have any questions, please feel free to contact me.
