

**Dear WM Customer,**

Beginning in January, as part of waste removal services provided by WM, all households will receive a 96-gallon cart for trash. Each 96-gallon cart will hold approximately eight (8) standard size kitchen trash bags.

With this new service, **ALL MATERIAL** must be placed **INSIDE** the cart. Carts will be collected using automated collection. This type of service prevents worker injuries and helps control costs associated with providing service.

WM will only collect material that fits inside your trash cart. Residents will be permitted to leave **ONE** bulk item per month out for collection, at no additional charge, during the **4TH WEEK** of the month. A collection calendar will be mailed at the end of December.

Hampton Township is giving residents the opportunity to select their cart size. All residents are defaulted to receive a 96-gallon cart, however, if you would like to request a smaller cart, instructions on how to do so are included. The rate for service will be the same regardless of the cart size you select. No trash left outside of the cart will be collected, and it is recommended you do not elect to receive a smaller cart.

Cart delivery will begin in January. More information will be available in your service guide that will be mailed at the end of December.

If you do not wish to make any changes to your cart size, and do not need to request an additional cart at this time, no further action is needed. If you do wish to make changes, please see reverse side for details.

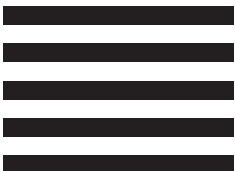

Thank you,  
WM

Service selections can be made by completing and returning this self-addressed post card, by emailing your request to [WPACustomerService@wm.com](mailto:WPACustomerService@wm.com), or live chatting a representative at [www.wm.com](http://www.wm.com). If using email or live chat, please include your service area. Please make your cart selection by December 23, 2022. Once a selection is made, it is the responsibility of the resident and their municipality to make any changes to the cart selection.

**All residents will automatically receive one 96-gallon trash cart. This option is the recommended size for your community. Your monthly rate for service is \$30.51. Residents can request up to two additional 96-gallon carts for a one time fee of \$100 per cart. There will be no additional monthly fee for an extra cart.** If you would like to receive a cart smaller than 96-gallons, please make your selection below. As a reminder, all material must fit inside your cart for collection. **No material will be collected outside of the cart.**

Cart Selection Size	Monthly Price	Please check here for your selection
64-gallon cart (will hold approximately 5 standard size kitchen trash bags)	\$30.51	
35-gallon cart (will hold approximately 3 standard size kitchen trash bags)	\$30.51	
I would like to request up to two additional 96-gallon trash carts.	\$100 one time fee per cart	How many additional carts: _____
